

New Jersey State Forester Apprenticeship

This is an opportunity for a 2-year apprenticeship with an experienced consulting forester who is nearing retirement. You would have the opportunity to pick up your own clients and to transition into this already established forestry practice. Requirements are that you have a BS degree in Forestry. The position would be in New Jersey.

Interested individuals should contact Paul Barrett at barrett@pobox.com, or 2480 Kittredge Loop Dr., #3636 Boulder, CO 80310.
