

We are looking for a volunteer to help out with the rec program on the Medicine Wheel Ranger District for the summer 2018 season. The individual would be helping out at Shell Falls Visitor Center, as well as monitoring dispersed rec, stocking bathrooms/emptying trash, and doing general maintenance (signs, facilities, etc.) across the district. If you know anyone who might be interested, please have them respond to the volunteer listing on volunteer.gov at the link below:

We will be filling this position as soon as is possible, so don't hesitate to apply now.

Thanks!
