

Asplundh Tree Expert specializes in providing vegetation management and utility line clearance services to commercial vendors.

Our team is experienced in all aspects of tree trimming and hazardous tree removal.

We work around electrical conductors so safety is our top priority. Our employees are equipped with finest tools in the industry so we can ensure work is performed without risking injury.

We pride ourselves in continual training and team building. We will assist an employee in obtaining their CDL, Herbicide Applicators License and Arborist Certification.

We strive to provide a team based environment, each person playing an essential role. Our goal is to expand our operation by employing hard working, motivated individual that can operate as part of unit.

We are currently seeking a **Trimmer / Climber** to join our team.

Essential Functions

- Trims and/or removes trees by climbing with the aid of a ladder, safety belt, climbing line, powered trimmer lift truck, or works from the ground using gasoline, air, and hand-powered saws, pruner, etc. He/she cuts branches or trunk sections and drops or lowers them to the ground with lines.
- Uses wedges, sledges, and chain saws in felling trees or trimmed trunks and in cutting and splitting logs into manageable pieces.
- Sprays stumps and brush with hand-spraying equipment to prevent further growth.

- Loads and unloads trucks with logs, stumps, brush, and debris and/or feeds brush into a wood chipper.
- Repairs slight damage to lawns, fences, and walks caused by tree trimming.
- Services gasoline, air, and hand-powered tools and other equipment.
- Relays hand-signals, directs traffic, drives, and operates trucks and equipment, as assigned and keeps trucks and work area clear and orderly, as well as helps train new employees.
- Performs other related work, as assigned by superiors.
- Safeguards employees and public from hazards in and around work area. Cooperates with customer, police, and fire departments when blocking street or driveways. Sets up barriers, warning signs, flags, markers, etc. to protect employees and public. Trained to perform tree and bucket rescue.
- Assumes responsibility for the inspection and proper working conditions of tools, truck, and other work equipment. Requests repair or replacement, when necessary. Maintains good housekeeping on truck and at work locations.
- Works around hazardous equipment.
- Works in close proximity to energized power lines.
- Works in all temperatures and weather and will be exposed to nature i.e., irritating plants and biting or stinging insects, and dust.
- Work will be performed at varying heights above ground while secured.
- Works on unlevelled terrain.
- Works around excessive noise from machines, chain saw, wood chipper and other equipment, with hearing protection.
- Works around falling limbs.
- Exposure to traffic hazards.

Minimum Requirements

- Due to the inherently dangerous nature of the industry and requirements to work with or around hazardous equipment,

employees must be able to maintain attention and concentration for extended periods of time.

- Must be able to wear necessary PPE as per task assigned.
- Must be able to safely drive an approved company vehicle.
- Must be able to enter and exit a vehicle numerous times a day.
- Must be able to withstand exposure to all kinds of weather while completing work assignments, i.e. rain, heat, sun, cold.
- Must be able to traverse various terrains.
- Must be able to write, read, and comprehend written and verbal job instructions/information.
- Must be able to work with hands above head for extended periods of time.
- Must be able to walk, climb, and work from ladders, or at various heights, on uneven and slippery surfaces, performing mentally/physically demanding work under unfavorable weather conditions while handling equipment or material.
- Must have own transportation to and from the show up location.
- Must be able to lift, move and maneuver heavy weights up to 50 pounds on an infrequent basis, but up to 10 pounds on a frequent basis.
- Must have endurance necessary to perform these duties throughout a standard eight or ten-hour day. Must be able to work long hours and overtime during holidays, emergencies, weekends, etc. Subject to call out work.
- Must have sufficient eye sight to judge distances and coordination to get and use the appropriate equipment and tools.

Please feel free to contact us with any questions or how to apply.
