

ASPLUNDH

specialists in vegetation management

Asplundh Tree Expert specializes in providing vegetation management and utility line clearance services to commercial vendors.

Our team is experienced in all aspects of tree trimming and hazardous tree removal. We work around electrical conductors so safety is our top priority. Our employees are equipped with finest tools in the industry so we can ensure work is performed without risking injury.

We pride ourselves in continual training and team building. We will assist an employee in obtaining their CDL, Herbicide Applicators License and Arborist Certification.

We strive to provide a team based environment, each person playing an essential role. Our goal is to expand our operation by employing hard working, motivated individual that can operate as part of unit.

We are currently seeking a **Vegetation Ground person** to join our team.

Essential Functions

- Uses a chainsaw to cut brush, logs and stumps of larger trees.
- Gathers brush and feed brush into wood chipper.
- Applies chemical herbicide to right-of-way, following brush removal.
- Utilizes hose and spray nozzle from truck mounted spray equipment which includes tank, pump, hose reel, 200 feet of ½ inch hose, or utilizes back-pack to treat remote areas.
- Services truck, chipper, and equipment, maintaining them in neat, clean, and specified mechanical order.
- Assists senior spray person in mixing herbicide in holding tank.
- Works around hazardous equipment.
- Works around excessive noise from machines, chain saws, wood chipper, with hearing protection.
- Works in all temperatures and weather and will be exposed to nature, i.e., irritating plants, biting or stinging insects, dust, etc.

- Works on unlevel ground.
- Works around falling limbs with protection.

Minimum Requirements

- Due to the inherently dangerous nature of the industry and requirements to work with or around hazardous equipment, employees must be able to maintain attention and concentration for extended periods of time.
- Must be able to wear necessary PPE as necessary.
- Must be able to safely drive an approved company vehicle.
- Must be able to enter and exit a vehicle numerous times a day.
- Must be able to withstand exposure to all kinds of weather while completing work assignments, i.e., rain, heat, sun, cold.
- Must be able to traverse various terrains.
- Must be able to write, read, and comprehend written and verbal job instructions/information.
- Must be able to communicate with others.
- Must be able to maintain attention during dangerous tasks.
- Must be able to lift, move, and maneuver up to 50 pounds on an infrequent basis, and up to 10 pounds on a frequent basis.
- Must have endurance necessary to perform these duties throughout a standard eight- or ten-hour day. Must be able to work long hours and overtime during emergencies (including holidays, weekends, etc. Subject to call out work.)
- Must have sufficient eyesight to judge distances and coordination to get and use the appropriate equipment and tools.
- Must be able to operate and serve all required tools and equipment.
- Must have transportation to and from the show up location.
