

JOB POSTING:

The Stewardship Alliance of Northeast Elko (SANE), a local area working group in NE Nevada, is seeking an **Organizational Coordinator** who is highly motivated and passionate about enhancing healthy and resilient sagebrush ecosystems through public/private partnerships while preserving livestock operations within the SANE community.

This position will require strong leadership, organizational and communication skills in a collaborative consensus based environment. This individual will be responsible for ensuring SANE's efforts are well planned and of the highest quality and integrity.

The job will require travel within the project area on unpaved roads, and attending meetings across the State. Compensation, depending on experience and qualifications will range from \$40,000-\$60,000 per year. Only qualified candidates will be contacted. Submission of applications ends, July 7, 2017.

To apply please provide, application letter, resume and references to: info@saneconservation.org.
