

# Howard EcoWorks

Howard EcoWorks (HEW) is a non-profit organization in Columbia, MD. HEW's mission is to develop a workforce to undertake environmental projects in Howard County, MD.

HEW is seeking a **Restoration & Outreach**

**Coordinator** to facilitate and oversee the construction and maintenance of best management practices. The projects are focused on water quality improvement and

habitat restoration and include: invasive species management, rain garden and bio retention construction and maintenance; conservation landscape construction and maintenance, and tree planting projects among others. Project implementation is conducted largely with HEW's workforce programs Restoring the Environment and Developing Youth (READY) and Watershed Action Team (WAT). The Restoration & Outreach Coordinator will also oversee strategic watershed-related work, direct services provided to the local government for the construction and maintenance of municipal storm water projects; respond to, engage and educate communities on environmental protection and restoration efforts; and implement Howard EcoWork's fee for service program.
