The Pathways Internship program offers career development opportunities to students enrolled in qualifying educational programs or institutions. The Pathways Recent Graduate program is tailored toward those who have received a qualifying degree or certificate from an institution of higher education within the previous two years. Veterans whose military service obligations prevent them from applying within this period have up to six years to apply. Interns and recent graduates receive on-the-job training and mentorship. Upon successful completion of the program, student interns and recent graduates may be converted to a permanent position.

Visit the [Forest Service SAF](#) webpage for eligibility requirements, position locations and additional information. Questions can be directed to saf_hiring@fs.fed.us.
