

**COLORADO STATE UNIVERSITY
EXTENSION
Job Vacancy #38-18
Extension Agent, Natural Resources
Jefferson County, Golden, CO**

This position will provide leadership and guidance in the development, delivery and evaluation of Extension natural resources, wildlife, wildland fire, native plant, and invasive species programs for adults and youth in Jefferson County, and for the Native Plant Master program statewide.

Completed master's degree; one degree must have been conferred in natural resources, botany, plant ecology, weed science or a closely related field before starting position.

We are committed to increasing the diversity of our staff and providing culturally responsive programs and services. Therefore, we encourage responses from people of all backgrounds and abilities. We invite you to review Colorado State University's Principles of Community (<http://diversity.colostate.edu/principles-of-community/>) that guide our mission and vision of access, teaching, service and engagement.

For **full consideration**, a complete vacancy announcement and to apply: all materials must be **RECEIVED no later than 11:59 PM Mountain Time on Thursday, November 1, 2018**, please go to: <https://jobs.colostate.edu/postings/60744>

CSU is an EO/EA/AA employer and conducts background checks on all final candidates.
