

Early Notice: Northern Rockies Fire Hire Job Outreach

The Northern Rockies Region of the Forest Service is pleased to announce our hiring event that begins November 1st through November 15th. We are looking for a committed, hardworking, highly skilled workforce to suppress wildfires and work in fuels management on 11 National Forests located in Idaho, parts of the Dakotas, and Montana.

The fire and aviation management program is very rewarding and requires talented people working safely as part of a team in a variety of specialized positions; including dispatch, engine crews, fuels technicians, hand crews, helitack, interagency hotshot crews, and prevention.

Included in the outreach are GS-04 through 09 permanent fire positions. The vacancy announcements for these positions will go live and be posted on November 1st on the U.S. Government's official website at www.usajobs.gov. Those who wish to be considered for these positions in the fire hire event must apply to the vacancy announcements by the cutoff date of 11:59 Eastern standard time November 15, 2017.

*Start now in usajobs.gov to prepare your profile, upload your resume, collect the additional documentation needed, etc. This process can take **time**, so **don't wait** until the last minute.*
