

Job opening: UMN-SFEC Education Program Specialist

Join our team at the University of Minnesota's Cloquet Forestry Center! The Sustainable Forests Education Cooperative is seeking qualified, diverse candidates for an open Education Program Specialist position.

In a nutshell, the position is focused on assessing learning needs, developing, delivering, and evaluating continuing education and professional development programs for natural resource managers in Minnesota and the Lake States. We're looking for candidates with a background in forest or plant ecology, forest or wildlife management, or related fields, some teaching experience, a commitment to diversity and inclusion, and strong communication skills. The position requires creativity, provides flexibility, and involves working with a large, diverse, awesome group of collaborators and learners.

For details on the position and to apply, visit <https://humanresources.umn.edu/content/find-job> and search for job 342026. For questions about the position, don't hesitate to contact Dr. Eli Sagor (esagor@umn.edu). We will begin reviewing applications on August 9, and the position will remain open until filled.
