

Paid Internships on Coconino National Forest

Coconino National Forest – Flagstaff Ranger District is excited to hire multiple paid 6 month internships for different disciplines related to Wilderness/Wildlife and Interpretation/Education/Recreation. The positions should be listed this week at: <https://azcorps.org/ipopenings>

Scroll down to individual placements and see location of Flagstaff, AZ

Positions are open until filled, interviews may start as soon as early February so apply soon!

These positions are Resource Assistant positions, which are paid internships with additional perks including “Direct Hire Authority” upon successful completion. See the job announcement for more info.

Note the start date has a little bit of flexibility, but not a lot. If you are a student taking Spring 2021 classes, feel free to contact me to see if we can accommodate your schedule.

Caring for the land and serving people

The Coconino National Forest serves northern Arizona on homelands sacred to Native Americans throughout the region (called Diné, Hopituskwa, Halona Idiwan'a, and other names by the indigenous peoples). We honor their past, present, and future generations, who have lived here for millenia and will forever call this place home.
