Logan Ranger District
Wilderness Steward!!

Who: YOU!

Where: Logan Ranger District- Mount Naomi and Wellsville Mountain Wilderness

When: May 2018- April 2019 (1700 hrs.)

What: The Logan Ranger District will undertake a Wilderness Stewardship Performance (WSP) project in 2018-2019 to inventory all National Forest System (NFS) and non-system trails, as well as develop a comprehensive wilderness education plan. To accomplish this, district staff are seeking a highly motivated, self-sufficient, and enthusiastic individual to develop a wilderness education plan, a wilderness trail inventory and assessment, and other duties as assigned. The selected candidate will work closely with agency staff and partners, including Stokes Nature Center, to develop an education plan and materials, inventory trails using GPS units, communicate and educate the public on wilderness and its unique characteristics. The candidate will be required to perform strenuous labor in remote outdoor locations with limited supervision for long hours, including overnight stays. This is an AmeriCorps position requiring a full-time commitment and at least 1700 hours of service. AmeriCorps members are provided a living allowance during the term and a $5,800 AmeriCorps Education Award at the conclusion of service.

How to Apply: Send a resume, including three references, and cover letter to Zach Maughan, zmaughan@fs.fed.us, 801.391.7542 or Lindsay Thalacker, lindsay.thalacker@usu.edu
