Volunteer Services Coordinator

A full-time position in Iron County

Closes Oct. 31, 2021 at 11:59 p.m.

We are seeking a professional who enjoys workplace variety and has a love of Utah's wildlife. The person hired for the [volunteer services coordinator](#) position will have the opportunity to help with events, assist with fish and wildlife projects, coordinate with dedicated hunters and volunteers, and help create content for social media platforms.

Principal duties

As a [volunteer services coordinator](#), you will:

- Administer the Dedicated Hunter Program in Utah's southern region.
- Coordinate with volunteers on associated projects.
- Assist in administration of the Hunter Education Program regionally.
- Assist with various events and outreach programs.
- Assist the regional outreach manager with media production, photography, videography and content creation.
- Assist with social media regionally.

The ideal candidate

The ideal candidate will have:

- A background in wildlife management or a similar, outdoors-related field.
- An outstanding personality, a great attitude and good customer service skills and experience.

- The ability to work alone and as part of a team.
- The ability to teach others about hunting and fishing.
- An appreciation for and experience with technology and content production.
