## In The News

### 2013 Scholarship and Awards Banquet

2013 Quinney Scholarship Recipients (center). Quinney Foundation Board Members: Left, Herb Livsey and far-right, Ellen Rossi (granddaughter of the late Janet Q. Lawson), and Charles Livsey.

We had a great banquet honoring the successes of our students, staff, and faculty on March 23. The College provided over \$220,000 in new scholarships including 6 new Quinney Scholarships to undergraduates and 2 new Quinney Fellowships to graduate students.

Notable awards went to Hesper Kohler, the College Outstanding Senior, and George Fawson, the winner of the Jardine Juniper Award. Marsha Bailey and Dave Koons were honored for staff and faculty contributions to our programs. Congratulations to recipients of all the awards!

### NR Week Features Predator-Prey 5K Run

Celebration of NR week was outstanding with students and faculty enjoying the great spring weather. Eric Sodja was the fastest prey, finishing in 19:43. Chad Taylor was the most dominant predator, capturing 9 prey during the 5K run. Featured speakers Mark Lynas, Rob Jackson, and Jack Schmidt presented outstanding talks on sustainable agriculture, hydrofracking, and Colorado River management. Thanks to all who worked hard to make the week a success.

## In Memoriam of Henry Milton Reeves '50 ~ 1927-2013

1950-Summer Camp  
in Logan Canyon

Alum Henry "Milt" Reeves (1927-2013) received an MS degree in wildlife management under Jessop Low in 1954. His thesis, Muskrat and Waterfowl Production and Harvest on Dingle Marsh, Idaho, provided the background information that led to the designation of the Bear Lake National Wildlife Refuge.

Milt retired in 1983 after having worked 30 years with the U.S. Fish and Wildlife Service. During his career Milt was a major contributor to several programs, including the Wetlands Habitat Protection program, the Migratory Game Bird Protection programs, the Accelerated Research Program for webless game birds, and the Satellite Imagery program to monitor Arctic geese.

Milt married Marilyn Bronson on June 28, 1952. For their 60 years together they lived in Idaho, Utah, Texas, South Dakota, Minnesota, Maryland, Saskatchewan, and currently in Oregon.

### Congratulations USU Wildlife Society Chapter!

For the third year in a row, USU's student chapter of [The Wildlife Society](#) surpassed eight other universities to the place first in the team field competition at the 47th annual Western Student Wildlife Conclave. This year's competition was held March 15-18 at the University of Wyoming in Laramie.
